Snap shot of the Divine Families:

DF #1 is curiosity and the choice to experience various aspects of Good

DF #2 is to experience and radiate JOY

DF #3 is to experience and broadcast inner knowing with Gifts of Unseen/Spirit

DF #4 is to experience and radiate Peace.

DF #5 is to use Power Correctly. You may feel it as an Deep Inner Strength, or even an ability to see BS.

DF #6 is to experience and broadcast inner knowing with Gifts of Unseen/Spirit

DF #7 is to experience and broadcast Clarity of Soul, the All Good of Home

Nature and Abilities of a Divine Family Member:

1. Deep sense of greater agenda or purpose
2. Over arching presence of All Good
3. Sense of group/community of togetherness
4. Witnesses fragmentation of earth cultures
5. Sees how outsiders agenda's to use other has caused fragmentation
6. Finds reflections of Home and embraces them
7. Expects and experience Good of home to resource and enrich life experiences
8. breathes, manifests, speaks as ambassador from DF/Home in EArth body and mission
9. Acts as conduit/channel through which intelligence-filled energy flows int life/lives

Reality Statements:

- The energy of my Divine Star Family flows in secured, safe-guarded channel though the mid-line of my power centers to express into my career in these ways, in my personal life in this way.
-
- The energy of my spiritual gift of flows to fill me and express into my life.
-
- I am feed, clothed, resourced by the greater field of Divine Star Family collective
- My life, breath, activates are a reflection of my Earth purpose as an ambassador of my Divine Star Family agenda and Earth Mission.

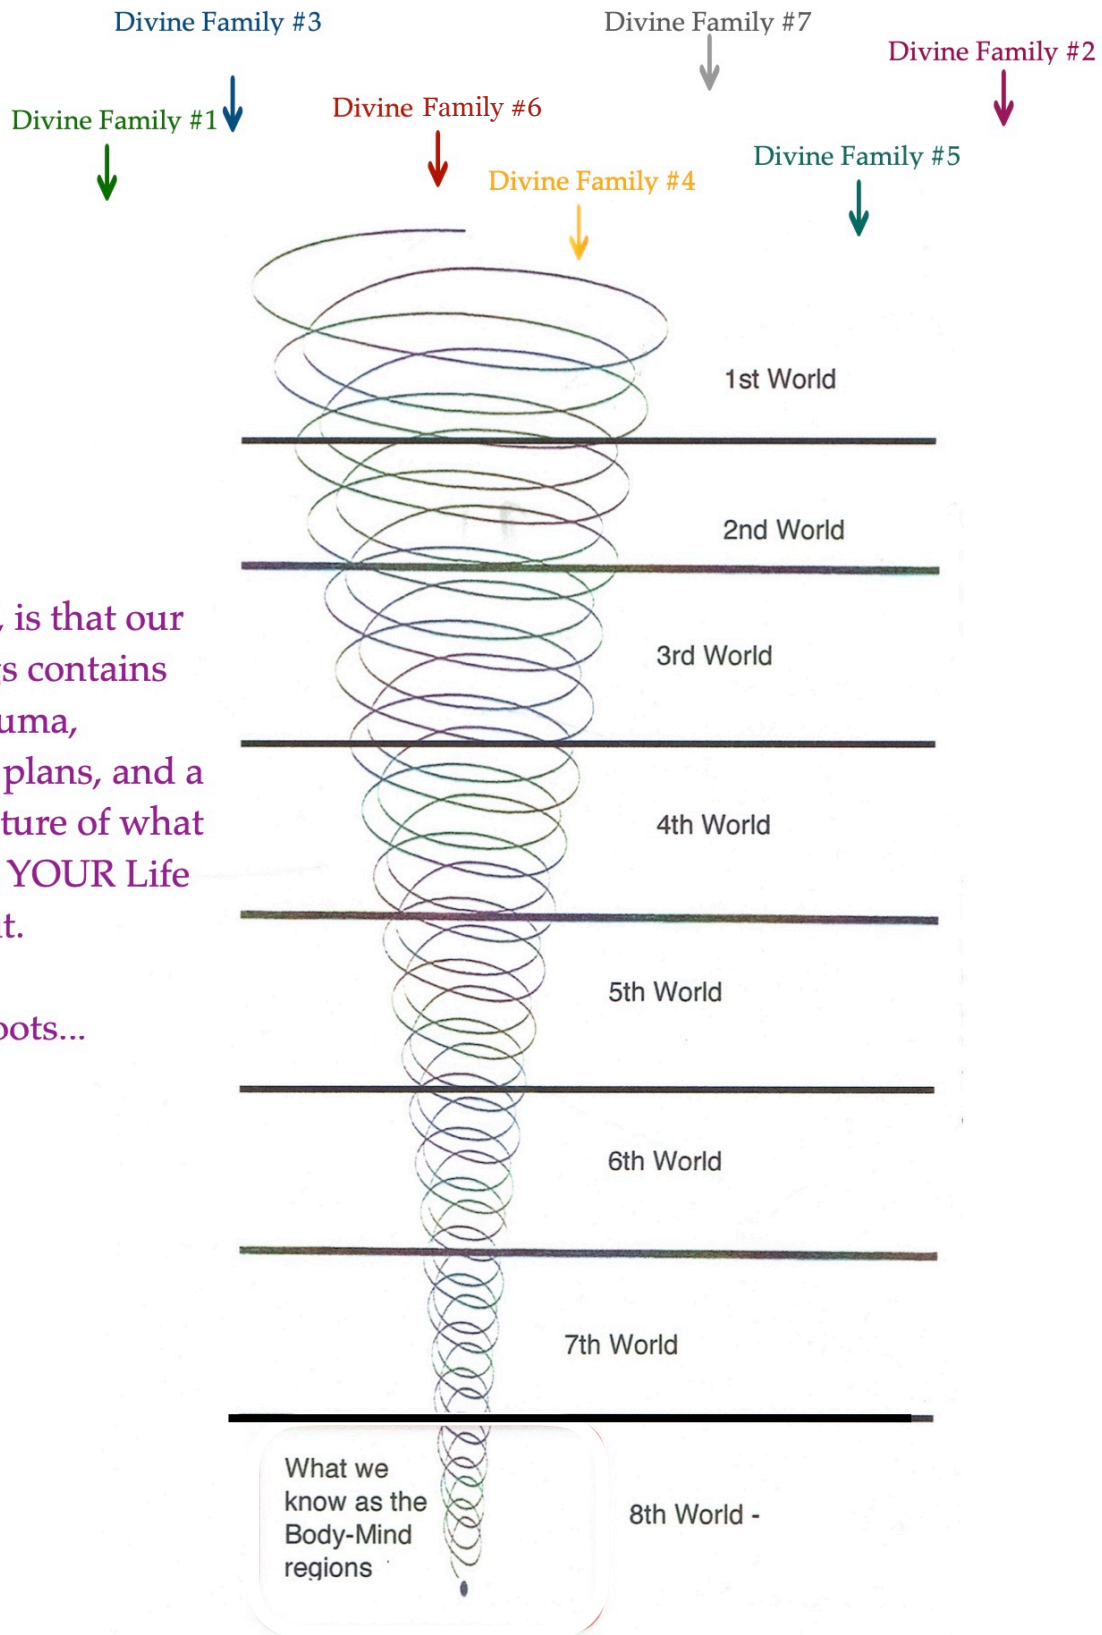

Qualities and Values:

Similar to the Values of [Cultural Creatives](#) identified by Paul Ray:

We recognize that women, men, young adults and children of Good heart, also hold these values as sacred!

- Love Nature and are deeply concerned about its destruction
- Place great emphasis on relationships within all in the web of life - this is why women
- Are not materialistic or money-driven
- Have artistic and creative inclinations
- Are interested in spirituality and personal growth
- Have a habit of volunteering
- Desire equality and inclusion for women
- Are concerned for planet-wide issues like global warming and poverty
- Are willing to pay more if it benefits society
- Are concerned about the imbalance in the economy.
- Have a sense of greater purpose, even if unsure as to what it is.

Various Source/Homes of All Good

B. Second, is that our beginnings contains injury, trauma, contracts, plans, and a bigger picture of what Earth and YOUR Life is all about.
