
Chat notes from Class #24

AlexSandra Lett: I was ready to release Khaki but now I feel guilty for his suffering...

Tara: So sorry AlexSandra. Sending love and hugs

Arleigh: Oh, AlexSandra, Losing a fur baby after 15 years is a true heart pain. So sorry for your loss, and the guilt you feel over the vet visit.

Cristina Teot: Alexandra, you did everything you could! Remember that. And remember the joyful spirit he is

AlexSandra Lett: I rarely know if it is real but sometimes I do. Last night I kept talking in my dreams.

What forms could come from the energy of Divine Star Family's Field of Intelligence?

AlexSandra: I heard a voice in regard to Khaki...The message was: "Give a donation!" I wonder if I could create a system for inspiring others to approach to pets..

Emma: Ecovillage

Sharon Alexander: Ocean waves balanced and harmonious

Deborah Mangis: A clear cylinder that people can go into and be healed of all disease with color and harmonics

Cinda Lonsway: Enthusiasm for life, others, self.. Cheering people on. We can do! Good work! Keep it up! Way to go!

Arleigh: Animal/plant communication, recognition we are not the only sentient beings.

Tara: Pillars of bright rainbow light to draw energy from when needed

Cristina was asked for her website: Cristina Teot: www.cristinateot.com
