

TAG Basic Session in Deep Roots
Session #2
Expanding a healing space

Set Space

Claim an expansion of your presence, awareness, healing, discernment, and connection with spiritual guides:

“I am a presence of(healing, deep respect, intuition, clarity, and curiosity)... with connection to my Divine Family”

Do a Reality Statement and Brain Balance for the above statement.

The rest is a repeat and expansion of the Basic Session. (TAG111 Basic Session #1 printout)

1. Connect to participant's Higher Self and Causal team. Make sure the peep has a team with the capacity to effect the changes that the TAG/PTO/ Galactic teams can bring.

2. Affirm connection to Divine Family agenda flow....

'Peep has a secured connection to her/his Divine Family's energy and presence of.....'

Ask these questions:

- What % of Negative karma in birth plan is left from the 100% marked for removal _____ %
- Are there any parasitically influenced individuals in this individual's space? _____.
- How many? _____.

3. Remove parasitically influenced energy from the individuals influencing peeps energy stream:

A) Imagine a rectangular box. Line the interior with mirrors on every surface. Place the parasitically influenced person in the box. The idea is to reflect back to the person who s/he is, and send their energies back as messages to themselves. This is NOT a punishment!

B) Write person's name, or the number of individuals, on a slip of paper. Place it in a cucumber and put it in freezer. If you have no cucumber, place the paper in some water and make an ice cube of it.

C) Place parasitically influenced individuals in the 6 fold cocoon:

Red rock vortex, guardian circle, hitch hiker shield, Hazmat suit/field, close the skies, receive golden song project, bring in the Sensitivity Shield.

4. Find the next intense issue for your peep. (You dealt with one in Session 1, now find the next most important issue for peep.)

- Use 'Crystal Child' technique or your pendulum and color sheet to identify pattern/issue. (Follow printout 'Identifying the Pattern-trigger')

What Causes/Seeds have brought the manifestations of this issue? (Use pendulum to find the number)

- Galactic
- Void
- Negative worlds
- Turn Coat
- Black Magic
- Contracts

Ask about guilt contracts

- Insertion- what thoughts did the Outsiders implant in peep's energy line? Sit quietly, let this information 'drop in'.
- Patterns- How was peep's behavior and thoughts influenced by this outsider influence? This is what peep is dealing with. Reality statement is about healing this.

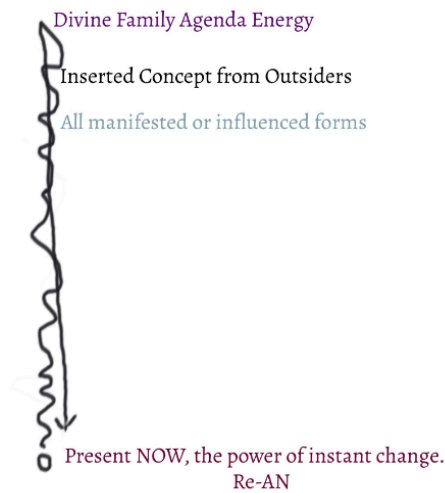

5. Resolve all of these Causes/Seeds using 'Cause/Seed Evaluation and Resolution' handout

6. Use the Re-An process

Use the Re-AN process to gather, neutralize, heal and transform the concept, the impacts, and all Patterns in all dimensions, including time, space, realities, worlds and more.

Gather everything into the present Now. Collapse the entire time line into one dot of time. Then declare it healed, transformed, with all Outsiders removed, and Soul harmonics restored. See illustration below. I visualize the time line going horizon to horizon, and collapse it to one point in the middle that I then heal. Sharon goes from top to bottom. See illustration below.

Wiggly line
is time line

7. Closure Follow up:

- Write a Reality Statement or anchoring Mantra
- Place reality statement in the new weaving space of Divine Good for ongoing work.
- Ask if there is more to do now.
- If not, follow the Law of Reciprocity. Turn the work and intention over to the peep's teams, bring your mind to stillness, and then shift to lift gates to bring in 100-fold energy for your support and nourishment.

8. Send the Anchoring Statement (Reality Statement) to Sharon at:
deeprootsodyssey@yahoo.com by the Monday following the TAG III class.
