

# WISDOM of the Hidden Realms

## Divination Cards by Colette Baron-Reid

*These are simply samples from the Wisdom deck*

### 1. Hungry Ghost

Consider that your focus on the past is robbing you of a more glorious future. Stop, reframe, and move forward.

**The challenge** is to identify the fear or lack that draws you away from possibilities and keeps you small.

### 2. The Cosmos

Creativity in all forms is represented by the Cosmos. Place your attention on creative

projects and they will be successful.

**The challenge** is to accept your inspiration and touch others.

### 3. The Altar Priestess

The stage is set and the world is waiting for your sacred meditations and prayers. See all of life as sacred and listen for your step.

**The challenge** is to not dishonor or discount the importance of your gifts in the world.

### 4. The Spiral Dancer

You are not experiencing a set-back but rather around and up. Notice what has been added to your dance.

**The challenge** is to know that if you are 'out of breath' you may be asked to change direction. It is time to sit down and regroup.

## 5. The Well Watcher

This is a time to go within to contemplate the true source of power, the Divine. Go to the well to find the wisdom there.

**The challenge** is to know that you have run out of steam. Self-will alone is not enough. Take time to refresh.

## 6. The Dragon's Duel

You are at a proverbial fork in the road, the tensions of what seems to be opposites. accept the opportunity and simply choose.

**The challenge** is to trust that there is not good and bad.

## 7. The Resting Tree

This is a time to slow down and watch the roses bloom. Patience is the key.

**The challenge** asks you to consider that you are so frenetic, stressed, and busy 'doing' not 'being'. Take time.

## 8. The Web Weaver

Rejoice in your creative ideas as they can be far-reaching and have positive effect on many. Your wisdom is being called for from other in the web of life.

**The challenge** is to examine your motives and behaviors. Are they in alignment to the good you hope to bring to others, Don't deceive yourself.

## 9. The Phoenix

Death and rebirth is this phase. Changes are not failures or endings. The Phoenix says, 're-invent' yourself.

**The challenge** is the gentle reminder to 'let go' surrender to change and trust that Good is always at play.

## 10. Gaia's Garden

You have everything you need and want as Gaia's Garden reminds you that there is no shortage. Unlimited energy waiting to be woven into manifested form.

**The challenge** is a gentle reminder that you may have forgotten to give back to the work. Where have you felt to contribute?

## 11. The Winged Wise Ones

Enter the realm of angels and know that your requests are known and answered. This is a time for potential miracles.

There are **no challenges**.

## 12. The Swan Queen

This is the time to look at your reflection in life to see the growth you have made into your beauty. Go within rather than live in the reflections.

**The challenge** is to stop doubting your inner voice and ask for a vision and signs of confirmation.

## 13. The Spirit Whisperer

Inner listening brings inspired ideas that, with action, lead to success.

**The challenge** is to pay attention to the 'red flags' you see and seek your inner wisdom

## 14. The High Lady of Love and Compassion

Love's greatest creative power is ignited by the conscious action of compassion. Generosity of the heart, reverence, respect, and empathy for all living things bring you profound power to live a life of happiness and contentment.

**The challenge** is to consider if your good intentions of serving and helping is out of balance. The River Queen

You are being reminded about allowing and nonattachment. Be fluid.

**The challenge** is that turbulent waters and rapids will cross ahead for you. You don't need a boat, you will know.

## 15. The Sun Dancer

The Sun Dancers celebrate you and remind you of the laws of success and praise. Expect the best and appreciate it in advance.

**The challenge** is to balance your dreams with having fun. Just be, for today.

## 16. Dream Walker

The Dream Walker is reminding you that dreams do come true. The Divine has one for you, ask to know what it is.

**The challenge** is to wake up from your restless sleep and remind yourself of your precious dreams again.

## 17. The Chess Queen

The Chess Queen has all the tools you need to aid you in your quest for a life of purpose, peace, and prosperity. Ask to know the right actions.

**The challenge** is to let you know you are living too much in your head. Stop, go within, and ask for Divine guidance.

## 18. The Lady of Lightning

Powerful forces of change is in your life. Expect a sudden shift for the opportunity of a lifetime.

**The challenge** is that unpleasant news or unexpected shock may appear. Consider a turn in a different direction.

## 19. The Keeper of the Scales

Align with the Law of Harmony and make conscious choices to bring balance in your life. Harmony begins with the self.

**The challenge** is that events are turning your life upside down and you may be dizzy and confused. Move to a neutral place and take a break.

## 20. The Arrow Master

You will have help to target your intentions and learn to shoot straight for the stars. Align your intentions with Spirit and let them fly.

**The challenge** is to let you know that if you continue on your present course, you could be shooting yourself in the foot.
