

TAG Level 1 ~ Session Outline

*Know that your presence will attract clients
who will benefit from your work*

Client

- First contact:
 - Listen deeply to what they are dealing with
 - Activate Four-fold Protection, Deep Six
- After Payment:
 - Ask them to choose one specific issue for the session
 - Explain the purpose of the TAG session

Purpose

- Our birth plan contains contracts, plans, skills, needs for healing, various puzzle pieces and patterns.
- We come in to this life with our own chosen level of negative density for 90% release by age 1.
- This lifetime includes many trigger patterns in our personal energy field that activate seeds in our energy fields caused by galactic, group, genetic, past life, inherited, personal, parasitics that must be healed.
- Triangular Angelic Grids – working with your companions in Spirit as well as my healing team in Spirit a/k/a Angels or Beings of Light.
- TAG session activates more than 100 different types of energy healing protocols for physical, emotional, mental, spiritual bodies.
- Will send you email with follow up.

Set Space

- Design and set space with the anchored space setting from the original TAG as well as the attributes you choose
- Clear all parasitic and hitchhiker energies from the space
- Declare this as a healing space
- Activate the connection with your companions in Spirit and those of your client

Session

Part I: Healing

- Write client's name in center of paper and circle name with fourfold protection.
- Write down the issue and draw box around the issue as a freeze frame. Tell issue, *I hear you, you can stop screaming and getting bigger for attention. I will address you in a few minutes. Be at peace.*
- Activate Deep Six Protocol *pause*
- Activate the TAG Level 1 Matrix *pause*
- Ask how much negative density the client brought in a birth *pendulum*
- Activate the 11th Hour Protocol *pause*
- Activate the Evolutionary Blueprint – or – Ask if it should be done in two weeks *pause*
- Ask if anything further needs to be done at this point *pause*

Part II: The Issue

- Confirm the connection with your companions in Spirit and those of your client
- Identify the trigger for the client's issue (usually an interaction in their current life).
- Ask to be taken to a seed moment for this issue and that all similar seeds be included in the process.
- Using Pendulum ask:
 - Is client female or male?
 - Is other person in seed moment female or male?
 - What is relationship (*family, friend, authority, stranger, etc*)
 - What did client sense from the other (*use color chart*)

- What was my client's reaction to the other? (*use color chart*)
- What belief was my client left with? (*use color chart*)
- Time travel to clear issue
- Box up this seed moment, thank it for the information, and declare it complete

Part III: Reframe

- Using the seed moment information, reframe the old story into a new story
- Create a Reality Statement and Put in Reality Shift process for client

Part IV: Completion

- Ask client's team and my team if there is anything further for me to do. *Pause*
- Thank all those in Spirit who participated in the healing.
- Open the healing space (clap, bells, etc)

Follow up

- Confirm discussion appointment with client
- Send Reality Shift information and any other information
- In 2 weeks, check to see if Evolutionary Blueprint is appropriate
