What will YOUR Legacy be?

https://youtu.be/pj634ZEOKNA

What I am holding:

The Paradigm has shifted to a Matriarchal Culture with a network connecting sisters of Evolved Love around the world!

The shift to paradigm culture is held securely on the Game and Mission Plan of our Galactic Families.

Reality Declarations:

- Individuals creating emerging Good are held consciously and safely in the hands of TAG Galactic souls to anchor and grow in abundance as the culture of Wholeness within Gaia and Humanity.
- Wholeness, Peace, and Joy prevails within Gaia and Humanity.

- Women hold space for humanity to safely, respectfully, and joyously explore what Gaia holds.

Three Dots to consider today:

1. **Dolly Parton**

Her legacy and what does it encourage you to do for YOUR legacy?

3. **Womens Walk Across America - Emily Waugh**

Hey y'all,

This message is going out to all WWAA volunteers, as well as a few people who have expressed an interest in participating (or who I am hoping would be willing to participate) in a work session to try to solidify what impact WWAA is trying to have. What is our list of demands? What are we asking our government to do? We need to be able to answer this more definitively. Rather than going back and forth in a million emails, we are hoping to have a solid work session via Zoom to try to hammer some of this stuff out.
Or send me your declarations to sriegie@yahoo.com
Additionally, if you have any ideas for anyone else whose voice might be a valuable addition to this conversation (they do not have to be a member of the WWAA volunteer team!) please let me know. I think it behooves us to pull in those with more knowledge, expertise, or relevant experience. Anyone with public policy experience? Lobbying experience? Years fighting for women's rights in some other capacity? Let me know.

Thank you so much!
Emily
